

Bible Code: Isaiah Update

Due to the software programme I used in the original search for Jesus in Isaiah being updated and becoming more powerful, the occurrences have increased 6.184 times to a phenomenal 223,100 encryptions. They commence with an ELS of 1 and conclude with an ELS of -66,888, this also being the number of letters in the Book of Isaiah.

The estimate of occurrences is 222,740: the actual is 223,100.

This has translated into 5,578 A4 pages.
